! To assemble, check to ensure that all necessary parts are included. Please follow the assembly instructions carefully.

Step One

1. Remove contents from packaging.

Step Two

1. Inspect and inventory all enclosed contents.

Step Three

1. Hang the adjustable hangers over stall or trailer door.

Step Four

1. Slip main frame over the hooks on the adjustable hangers.

Step Five

1. Insert a saddle rack into the top main frame cross section.
2. Repeat with remaining 3 saddle racks into the 2nd, 3rd and 4th cross section from the top.

Step Six

1. Install the basket into the bottom cross section of the main frame.

***Note** The adjustable hangers can be removed for permanent installation.*
